

FACT SHEET **SJRWMD PHASE 3 WATER SHORTAGE ORDER**

The St. John’s River Water Management District’s Governing Board issued a Phase III Water Shortage Order on May 11th, 2026. The order restricts residential and commercial irrigation of lawns and landscaping to one-day-per-week along with other restrictions described herein.

The restrictions are applicable to residential and general commercial customers in The Villages® community in the following areas:

- VCCDD-VCSA Customers in Lake County
- WUDD Customers in District 14 in Lake County

The following is a summary of the restrictions.

- Residential and commercial lawn and landscape irrigation may only occur between 12:01 a.m. to 8 a.m. or 6 p.m. to 11:59 p.m. on the designated once-per-week watering schedule. Properties less than one acre in size may only use one (1) of these windows.
- Hand watering or micro irrigation of plants (other than lawns) can be done any day, but it is limited to before 8 a.m. or after 6 p.m.
- Certain exemptions are available, such as allowances for new plant material. Refer to sjrwmd.com/wateringrestrictions.
- Car washing at home is limited to once per week on the designated watering days as shown below. You must use a hose with a shut-off nozzle.
- Commercial car washes may operate on any day as most use advanced recycling systems.
- Fountains and other aesthetic-only water features may only operate four (4) hours per day.
- Annual pressure washing for aesthetic purposes is prohibited. Pressure washing prior to painting or sealing, to remove mold, mildew or other hazardous material that cannot be removed by mechanical means, or to comply with health and safety standards is allowed.

Addresses with	May only irrigate on ...
Odd numbered addresses	Saturday
Even numbered addresses	Sunday

All customers must modify their irrigation timer to only irrigate once per week in accordance with the above table.

Deed restrictions and community standards enforcement must suspend any requirement to replace lawns, pressure wash, or engage in other activity which increases water use during this water shortage declaration.

For complete details about these restrictions, visit the St. John’s River Water Management District’s website (<https://www.sjrwmd.com>).
